

Privacy Policy - TheSoundWell

1. Information Collected:

- Personal information the company collects, such as:
 - Contact information (email, phone number)
 - Location data

2. Purpose of Data Collection:

- Shipping products
 - To improve precise customer service and user experience
 - To comply with legal obligations

3. Data Sharing:

- We share user data with third parties for shipping purposes:

4. User Control and Choices:

- Accessing and correcting their information
- Deleting their account

5. Data Retention:

- Data is kept in company's records as long as users own the company's products

6. Security Measures:

- User's address is kept in company's database and in ecommerce platform

7. Updates and Changes:

- The company may inform users about potential changes to the privacy policy in the future via email. Additional Tips:
- Keep your policy concise and easy to understand for a general audience.
- Use plain language, avoiding legal jargon.
- The policy is readily accessible within the app and on your website.
